Dedicated, Specialized & Best In Glass Partnership

O-I Packaging Solutions (O-IPS) is a dedicated full-service production company within the O-I Glass organization, specializing in custom, inventive, and unique packaging solutions for small and emerging companies. We combine collaboration, innovation, agility, and expertise under one roof, bringing inspired solutions to this distinct and exciting market.

By any measure, it's clear to see. Whether you're looking for beauty, versatility, purity, sustainability, differentiation, or all of the above and more, it's glass all the way. If we sound a little fanatical, that's because we are. We've been designing, manufacturing, and shipping inspiring glass packaging for brands of all sizes for decades—because we love it. In other words, it's the best.

Global Resources. World-Class Expertise. Personal Service.

Like a liquid taking the shape of the bottle it's in, our services take the shape of exactly what you need. Your priorities become our priorities, and we bring a wealth of experience, agility, and obsession with service to every aspect of every project.

You can pick ready-made packaging off the shelf: Our catalog of tried-and-true packaging solutions is extensive. We offer a variety of finishes, colors, capacities.

Collaborate with us to create something new: We combine inspired design with expert container engineering to create striking impressions of your brand.

Make sure your products pop with our range of in-house decorating capabilities: Applied ceramic labeling, UV silk-screening, heat transfer labeling, shrink sleeves & more.

OIPS

 Packaging Solutions

Food

**MAKE YOUR
PACKAGING A FEAST
FOR THE EYES.**

*As any chef knows,
presentation is the last key
ingredient.*

Our packaging ensures your food looks as great as it tastes-and tastes as great as it should.

Whether appealing to the health-conscious consumer or to the indulgence seeker, glass packaging is the language that communicates your brand narrative, long before a whiff is gotten, or a first bite is taken. O-IPS combines local knowledge with global know-how to leverage its expertise in the food market. We offer a wide range of jars and bottles, designed for brands which aspire to hit the market with gusto and impact.

Visual appeal: Our packaging lets the texture and color of your food show through and offers a range of shapes and weights to help express your brand.

Taste preservation & sustainability: With no lining or harmful chemicals, our glass packaging naturally protects the taste and integrity of your foods. And all our food packaging is endlessly recyclable.

Stability: Glass is impermeable and incredibly stable, making it the best choice for preserving your products throughout their journey to kitchens and tables.

 Packaging Solutions

Non-alcoholic

**DRAW THE EYE AND
TEASE THE TASTE BUDS.**

Our packaging piques their
thirst. Your beverage seals
the deal.

Why should boozy beverages have all the fun? Let's collaborate on packaging that makes your non-alcoholic beverages the life of any party.

We understand the importance of shape, weight, finish and decoration when it comes to creating the right positioning for your brand. So for each NAB category, we offer a variety of designs and sizes, including models aimed at the economy, mid-range and premium sectors.

Visual appeal: With a huge variety of shapes, sizes, colors, and finishes, our packaging makes your products pop on shelves, feel great in the hand, and demand to be tasted.

Taste preservation & sustainability: With no lining or harmful chemicals, our glass packaging naturally protects the taste and integrity of your beverages. And all our packaging is endlessly recyclable.

Stability: Our containers are impermeable and incredibly stable, making sure every sip is a winner.
